

MT. PISGAH FOOD PANTRY VOLUNTEERS

The men of Alpha Phi Alpha Fraternity, Inc. volunteers consistently at the Mt. Pisgah Baptist Church Food Pantry. This joint effort between the college chapter (Eta Tau) and the alumni chapter (Nu Psi Lambda) has been in existence since 2004. The food pantry aligns with our principles of assisting downtrodden humanity in its efforts to reach higher socio-economic status. This initiative further serves to help families and individuals break and avoid cycles of poverty through food distribution, education, and referral networking.

Families seeking food assistance may visit the pantry on Wednesday evenings from 5:30-7:00 pm at 801 W. Market Street in Bloomington, Illinois.
