

ADOPT-A-PARK INITIATIVE

The Adopt-a-Park Program is a partnership between the Town of Normal and Alpha Phi Alpha Fraternity, Inc., in an effort to keep our community clean, safe and attractive. By working together, we can continue to provide a beautiful environment in which to live, work and raise a family. The program also educates and encourages citizens to stop littering and take pride in their community.

The members of the local chapter of Alpha Phi Alpha have been assigned Carden Park, located behind Prairie Land Elementary school off of Raab road. At least once a month, the Men of Alpha gather together and provide general cleanup and maintenance of the park.

Any group willing to make the commitment can adopt a city park, a section of a city street, or a segment of the Constitution Trail. Volunteers from civic organizations, social clubs, neighborhood associations, individual families, churches, college student organizations, school groups or employee groups are welcome to participate.
